Commissioner for Patents

The Appeal was remanded to Examiner on July 21, 2009, due to the absence of the prior art reference Langley (EP 0360208) in the record. In the correspondence to Appellants on March 23, 2009, Appellants were notified that under Section 8, Evidence Relied Upon, of the Examiner's Answer of February 20, 2009, the Langley reference should have been identified as EP0360208 and not EP0360209. Appellants' originally cited the Langley reference in the IDS of May 13, 2005, although the Langley reference itself was not provided in the record.

Appellants are hereby provided with a copy of the Langley reference, which is presented in English.
